“Impacting a broken and hurting world with the CHRIST of redeeming love.”

Thank you for helping us make a difference one opportunity at a time by sharing the love of God to those we have been called to serve.

Summer 2020

“Be anxious for nothing, but in everything, by prayer and petition, with thanksgiving, present your requests to God.” (Phillippians 4:6)

2020 has produced a lot of uncertainties. As with the rest of the world we are wondering what the new normal will be like. Covid 19 continues to be a problem that seems to constantly change our plans. Public schools are scheduled to start Aug. 6, with the Academy on campus starting a week later. We are communicating with parents and local health officials to determine what programs we can sponsor this fall.

In the midst of our struggles, we were thankful for the group from Zeeland, MI who worked in the trade store (picture #1) and work on rehabilitating part of Hacker Gym into a fitness center. (#2-4), We and our residents are also thankful for donations to the trade stores. We were also blessed with a donation of a used pickup. Thank you for your gifts and your prayers. Please continue to pray that we will be “anxious for nothing.”

Problem or Opportunity?

5

The “Rock House” (picture # 5) was built over a 100 years ago. It served as the infirmary for the Institute for many years. For the past 9 years it has been home to rehabilitation efforts for women and men facing addiction problems. Presently Addiction Recovery Center (KY) has been leasing the building to offer faith based recovery efforts. Due to various constraints they had to merge their 12 centers. The center on campus was one of the centers that closed. We do not know if this closure is temporary or permanent. We are thankful for the many who sensed the presence of Christ during their time on our campus. It has been a blessing to continue to hear from those who lives have been transformed and their family relationships restored. Please pray for wisdom for ministry options for the buildings and for the many who are still struggling with addictions.
