

HAUTLE HAPPENINGS

The ministry of the Hautle family serving with *Child Evangelism Fellowship*®

September 2020

**Blessed be the name
of God forever and
ever, to whom belong
wisdom and might.
He changes times
and seasons;**

Daniel 2:20-21

In the coming months, we're going to start seeing lots of changes—birds flying south, frost on the lawn, trees changing color and days getting shorter. We'll also see a different kind of change.

CHANGE IN LOCATION

For two years, we have been concerned with being so far from our parents. We need to honor them and be closer to them. This summer, we spoke with leadership at *Child Evangelism Fellowship*®, who gave us their blessing to move back East. Lord-willing, in the next month, we will be relocating to Millersburg, Pa.

Naturally, this brings up a number of questions:

Does this mean you're leaving CEF®? No! We will continue our graphic design ministry with CEF Europe as well as international

projects. Having a job that can be done from anywhere that has an internet connection makes this possible. In fact, for nearly two years I (Brent) have been working from home 1-2 days a week, and with the COVID crisis, I transitioned to working from home every day.

Will anything about your ministry change? A few things. Instead of International Headquarters-specific jobs, we will be getting back to our original calling—more focused on helping CEF of Europe and other international regions.

Are you still faith missionaries with CEF? Yes! We continue to rely on monthly support from churches and individuals. We continue to ask God to supply our financial needs and tell His people.

How can we pray? Closing on our house is scheduled for Oct. 7. Brent will be taking our belongings to put into storage a few weeks before we all move to PA. Please pray all goes well with closing and the move. Emotionally, this has been hard as we're all saying goodbye to dear friends, a great church and a wonderful school, so please pray for us as this isn't an easy move. Please also pray for God's timing in moving as we have school to work around. Please pray as we start our search for a new home. Finally, please pray as we're closer to our parents that we will help them with their needs and be able to spend more time with them.

and looked at the brochures. It was a great blessing to be a part of this work this week.”

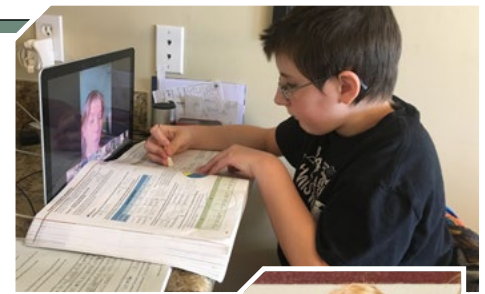

PAST, CURRENT AND FUTURE PROJECTS

We celebrated finishing the final six *60-Day Wonder Devotional Books!* This series focuses on Old Testament heroes, and encourages children to live for God. This is a huge blessing, and we're praying for these as the files are distributed worldwide. The design of the *Go and Tell!* lesson to teach children how to witness

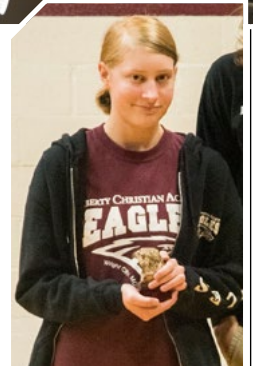

using *The Wordless Book* has been finalized and will undergo testing in several countries. Please pray this will be used greatly to bring the Gospel to boys and girls.

Two more *Good News Club*® resource packs have been developed with another one slated to be finished this autumn.

As with many people around the world, our meetings turned virtual. A week-long meeting for international literature coordinators was re-worked as several days of virtual meetings, specifically to work on the *International Literature Manual*. Praise God this is almost complete, and we're sure it will be a useful tool worldwide.

I am working on the layout of the first of a series of books aimed at helping church workers lead a small group study for children.

ON THE HOMEFRONT

Amy and Christopher were able to quickly transition to e-learning for the remainder of the school year, and both of them made the honor roll. We had a “proud parent” moment when Amy was presented with the Eagle Award, the school's highest honor. It left us with tears in our eyes. It's hard to believe Christopher turned 13 this month. We had a special board game day with friends.

We cannot thank you enough for your prayers and support. We know it's been a trying time for our country, and we are grateful to God for how you minister to us through prayers, gifts and encouragement.

For all of us,

AN UNEXPECTED ANSWER TO PRAYER

After a *5-Day Club*™ in Romania was canceled at the last minute, workers went door-to-door distributing materials.

“Yesterday I distributed literature in Maxenu and when I asked a gentleman if I could offer him some books about God, he said to me: ‘I prayed God would speak to me but I did not expect him to send me such a messenger.’ In general, the people to whom I offered the package received it with joy, many of them immediately opened the bag

PRAYERCORNER

- Praise God for a huge volume of traffic on the Wondersurf website during the pandemic. Please pray it will continue to have an impact in the many languages it's in.
- Praise God for many virtual Good News Clubs and 5-Day Clubs which have taken place around the world.
- Please pray as the ministry continues

- to navigate during the worldwide pandemic, and especially for an openness to the Gospel of Christ.
- Please pray for us as we pack and prepare to sell our house, and move to Pennsylvania this autumn. Pray for the right house for us. Pray we will have wisdom, patience and endurance.

- Please pray for the projects we still have to complete as we pack, especially the remaining resource pack and teaching tool for small groups.
- Pray God will be honored and glorified in our lives and in our ministry. We want nothing more than the name of Christ lifted high.

If you'd like to help with our move, see the next page.

CAN YOU HELP?

We're thankful to be able to continue using our current computer and software—which brings significant savings. Since we'll be setting up an office at home, however, we have a few one-time expenses our regular mission account can't adequately cover. Will you consider helping with this one-time need for the following items:

Dual-Drive 8TB external drive

These two 4TB drives will be used for file storage and backup, since one drive automatically backs up the other. Drives can be easily upgraded for future expansion.

Need: \$450

Color laser printer/scanner

A printer/scanner will help with various design projects for making mock-ups, hard proofing the sizes, testing the layouts and scanning items as needed.
