November 2020

Music and Giving Thanks

This holiday season, we anticipate “. . . addressing one another in psalms and hymns and spiritual songs, singing and making melody to the Lord with your heart, giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ, submitting to one another out of reverence for Christ.”

(Ephesians 5:19-21)

Pray that this is so for the Care Net team.

Looking back on the year, we can also express our thanks for safety and wellness, for persistence and patience, for generosity and kindness that you and so many others have embodied in so many ways.

Vision & Mission:

Care Net of Wayne County envisions a culture where life for the unborn is championed and families are transformed through the gospel of Jesus Christ.

Care Net's mission is to offer Christ-centered compassion, hope, and help to women and men facing unexpected pregnancy and making life-changing decisions.

My name is Ellen O'Malley. I am an intern at Care Net Pregnancy Center. I attend Liberty University online program for Bachelor's in Social Work. It is my second semester at Liberty, and I am enjoying it. I would love to go into Medical Social Work or Mental Health. I work as a Youth Peer Advocate for Aspire Hope NY, where I help youth work through mental and emotional issues. I attend Cross Creek Church in Palmyra where I volunteer for Guest Services ministry as well as for different events put on by the church. I enjoy spending time with family, friends, hiking, water sports, and writing in my free time.

Hello! My name is Taylor Boerman. I am Social Work student from Liberty University, and I have the great privilege to intern for my Junior Field Experience at Care Net of Wayne County. I grew up near Buffalo and moved to Marion after I got married. My husband and I have a daughter and two dogs. Some of my favorite things to do is go on walks, play board games, and curl up with a good book. I have always had great passion to stand up for those without a voice fulfilling the call that God gives us. Proverbs 31:8-9 (New Living Translation) commands us to “speak up for those who cannot speak for themselves; ensure justice for those being crushed. Yes, speak up for the poor and helpless, and see they get justice.” The unborn do not have the ability to speak for themselves. As Christians, our role is to be their voice! Care Net is so much more than a crisis pregnancy center and prolife advocate, it is a family resource that works to support the diverse families of Wayne County and fights to help bring a voice to the needs of the families in our community. They support the Dads, Moms, Grandparents, and children in our community who feel invisible by giving them resources, educational classes, a safe place to seek advice, and feel loved.
