Scarlet Thread Ministries is a faith based outreach that operates after school drop in youth centers in 8 Wayne County communities. Through these sites we are reaching and impacting the lives of many middle school and high school youth. Statistics show that the hours between 3 and 6pm hold the greatest likelihood for at risk and harmful behaviors for youth. That is just one reason why the operation of these sites is so critical. As a not for profit, most of our funding comes from donations. The STM Golf Tourney is an event which creates an opportunity to support this work. Please consider inviting some of your golfing friends to this event, which helps fund our efforts to bring God's love to the youth of Wayne County.
