2

3

It is heartwarming to see activities happening on campus. It is our hope that these types of events will be able to continue. Picture # 1 shows a trailer from Forreaston, IL being unloaded for the trade store. Our thrift stores was the first activity to reopen during the Covid shut down. Pictures # 2 & 3 show high school students playing basketball and volleyball in Hacker Gym. On Friday night 5 teams of K & 1st graders run up and down the gym floor. (#4), (# 5) shows the devotional time before the games. On Saturday the gym hosted a benefit auction for a local church (# 6).

Your support make these activities possible. You are helping us to share the love of Christ, one opportunity at a time.

You are indeed a big blessing to us for which we are thankful.
