Looking Back and Looking Forward

***to the only God our Savior be glory, majesty, power and authority,
through Jesus Christ our Lord, before all ages, now and
forevermore! Amen. (Jude 1:25 NIV)***

As we enter this new year the last verse of the hymn “O God, Our Help In Ages Past”, resonate within us. *“O God, our help in ages past, Our hope for years to come, Be Thou our guard while life shall last, And our eternal home”.*

Two months ago, we asked for your help in securing a box truck (used for the trade stores and hauling of supplies to work projects) and a forklift (used in the trade store warehouse). Because of the generous support of churches, organizations, and individuals we were able to secure the needed equipment. We also received loads of building materials. Now we are in need for groups to help us with repair projects on area homes and with on campus projects.

The reoccurring surges of Covid has again affected some activities on campus. But it has also brought some opportunities for service. We have been helping families with food deliveries and supplying of wood to help keep their homes warm.

During the past two weeks there has been a considerable amount of flooding in Jackson County. No lives were lost, but there was considerable property damage (off campus). We thank you for helping us to share the love of Christ with those we have been called to serve here in Appalachia.
