**“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”  
Jeremiah 29:11 (NIV)**

Summer activities are in full swing. The first camp was a batting camp. Because of rain most of the sessions had to be held in the gym. The last day was sunny and allowed for a ball game that ended with the score 16 - 15. Everyone enjoyed their time, including the instructor, Jason Elam. Jason said it was a joy to see former participants now coming back to help with the camp. This year our camp devotion time is built around John 3:16. The pool is again popular. Pictured below is a session of water aerobics. The fishing derby hosted by the veterans' outreach committee was especially designed for veterans in area nursing homes. For some, it was their first “fun” excursion away from their facility in months. With the uncertainty of Covid cases, it is difficult to make long range plans. However, the committee is planning similar events in the months ahead.

On the Fourth of July we will again be hosting a community celebration. We are praying that the weather will cooperate. We ask for your prayers, that all who enter through the campus gates will feel the presence of our Lord. There are several projects that are on hold. We are trying to be patient as we wait for the Lord to reveal His plans for us. We are thankful for the opportunities that are being presented. Your faithful support of our efforts is greatly appreciated.
