CELEBRATING MORE BABIES, MORE CHILDREN, AND MORE FAMILIES!

Wow! The overturning of Roe v. Wade is the biggest and best “RESET” imaginable for our nation! Now, we as Kingdom workers can affirm LIFE in so many ways, while engaging positively with others:

1. Review *Why Pro Life* by Randy Alcorn. Call Care Net for your free copy if you don't have one. The reality is that the majority of “pro-choice” positions prefer limitations on abortion, and we often have similar goals. Continue your conversations logically and civilly.
2. Consider how to show compassion to your neighbors, who may represent modern day “widows and orphans” Many women have no husband/provider, and many children have no father/protector.
3. Ensure that your church welcomes and affirms single moms and dads. Even more important, your leadership should faithfully instruct them in Biblical knowledge and discipleship.
4. Fill out a board application for Care Net of Wayne County. It is exciting to be part of the most life-focused and multi-denominational mission organization of the area!
5. Discuss with your family and pray about foster/adopt/respite opportunities. There are many ways to care for and mentor children. Support emotionally, and invest financially in adoptive families.

BUILDING PROJECT:

Are you a talented and imaginative mason, or do you know one? The wooden ramp here, which makes this building ADA compliant, will need to be replaced within a year. There are attractive options made with cement and trimmed with brick or veneer that can be integrated with the building's style and layout. Consider whether you can direct or contribute toward this effort; call us with your suggestions!
