**Campus hosts
Community
Celebration**

On the Fourth of July, the campus was swarming with activities. The community Independence Day parade ended on the campus. The parade had units of walkers, bikers, horses, classic cars, floats and honored the local little league softball team that won the district championship. The day was described as having a “Mayberry feeling” and “small town Americana at its best”. After the parade, area residents were able to visit vendors who had set up their booths on campus. The hot sunny weather made the pool an attractive place.

We are thankful for the many volunteers (including the utility companies, fire department and sheriff’s department) who helped to make this event successful. This event, along with the Community Christmas celebration brings many residents to the campus and we are looking at other potential activities. Join us in praying that the campus will be viewed by all who enter its gates as a safe place and where the presence of the Holy Spirit will be evident. We are thankful for the opportunities that are being presented. Your faithful support of our efforts is greatly appreciated.
