“Impacting a broken and hurting world with the love of CHRIST.”

Thank you for helping us make a difference one opportunity at a time by sharing the love of God to those we have been called to serve in Appalachia.

Reviewing 2022 and Looking Forward

“Jesus Christ is the same yesterday and today and forever.” (Heb. 13:8 NIV)

Highlights from 2022: We continue to be blessed with partners who help us make a difference in the lives of our community. One of the recipients of the blessings this year was Betty. Betty is taking care of two sons, one with special needs and another undergoing cancer treatments. Betty's house was in need of major repairs. Volunteers with the help of our staff and some donations from other partners, reworked Betty's kitchen with new flooring and new cabinets. Betty and her sons were overwhelmed with

the compassion that was shown to them. Betty stated, “We have never experienced such kindness before.”

Another highlight in 2022 was having our campers attending the dance camp interact with senior citizens from area nursing homes. The campers did a presentation of what they learned at the camp. Then they did crafts together and had a meal together. The collaboration was a highlight of the summer for both the campers and the senior saints.

Challenges: Inflation affected our organization in a variety of ways. The prices paid for food and supplies created budget issues. We have some improvement projects on campus that we had to put on hold because of big price increases. Inflation creates burdens for the families we serve and also for our supporters.

Prayer Requests: Join us in giving thanks for volunteers who helped to make a difference in

the lives of individuals. We have room for more volunteer groups this year. (Pictured on left is a group from last year.) Last year the Gym renovation project was completed with the opening of the fitness center (pictured on right) while other projects were put on hold. As

we look at the needs of our community and the resources available, join us in praying that we can discern God's leading. We also want to be good stewards with the resources we have been blessed to receive.
