***“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’”***

***Matt 25:40 (NIV)***

Thank you for helping us make a difference one opportunity at a time by sharing the love of God to those we have been called to serve in Appalachia. As times change, opportunities to share the love of God come in different ways. Recent opportunities include:

We heard of a widow who recently lost a son who was taking care of her. Her home is heated by wood and her wood pile was almost empty. Our staff brought her a load of firewood.

A family with an autistic child had some difficulties to overcome. They had lost a major portion of their income and they needed an additional room to take care of a grandmother who needed to move in with them. Our staff was able to provide the labor to build an additional bedroom for their house.

We also are recipients of unexpected blessings. The parents of children attending the Christian Academy on campus raised funds and provided the labor to completely redo the playground on campus. It is a joy to be able to interact with the students during their time on campus. Hacker Gym is the home gym for Friendship Christian School’s basketball and volleyball teams. Their time on campus also provides opportunities for our staff to share the love of Christ.

We ask for your prayers that we will be open to the opportunities that God makes available to us. You help to make these opportunities possible. May our Lord be glorified through our partnership.
